- ___ 1) Go to the library and check out a book on survival skills; read thoroughly.
- ___ 2) Buy a secondary hard drive for your computer and learn to switch them out.
- ___ 3) Get a cross cut shredder and use it to destroy all garbage with your info on it.
- ___ 4) Make a safe room. It should have a solid door, dead bolt lock, supplies and cell phone.
- ___ 5) Get a feel for what happens in your neighborhood during a typical weekday.
- ___ 6) Start investing (in an IRA, Roth IRA, 401k, 403b, employer matching plan, etc).
- ___ 7) Make a duplicate set of the keys you use and leave them in a secure place.
- ___ 8) Become a valuable employee at work or a valuable business owner to your clients.
- ___ 9) Install solid exterior doors and screen doors; include deadbolt locks and a peep holes.
- ___ 10) Take an EMT class; it's great basic medical training.
- ___ 11) Gather all of your important documents and put them together in a safe place.
- ___ 12) Volunteer (Search and Rescue, HAM radio club, DEM, etc); they provide great training.
- ___ 13) Question your tax preparer about ways to lower your taxes for next year.
- ___ 14) Consider installing tracking devices on high end items (computers, Plasma TV, etc).
- ___ 15) Learn new physical skills (go dancing, rollerblading, skiing, etc.).
- ___ 16) Spend the weekend observing others (go to a hostel, a religious revival, a biker rally).
- ___ 17) Install an audio/video/motion sensitive security system in your home.
- ___ 18) Develop an emergency evacuation plan and practice it with your family (include info to all participants about nearby and far away meeting places).
- ___ 19) Revamp your computer. Update software, use the disk cleanup and defrag features.
- ___ 20) Take your name off your mailbox and make your home look tidy but average outside.
- ___ 21) Make plans to travel to a foreign country this year—it's an excellent learning experience.
- ___ 22) Clean your firearms, and make sure they are stored securely but are easily accessible.
- ___ 23) Start a small side business.
- ___ 24) Make a plan to pay off all of your consumer debt ASAP.
- ___ 25) Teach others security and survival skills.
- ___ 26) Read foreign newspapers to find out what the rest of the world thinks about the US.
- ___ 27) Plant an early spring garden.
- ___ 28) Develop and institute a security plan for your workplace.
